**8:00 am Pumpkin Pi 5k Run at Whitecliff**

**NOON Parade down Watson Road**

**8:30 pm Fireworks**

Taste of  
Crestwood!!

Saturday, October 15th, will be a busy day in Crestwood. **During the time between the Parade and the Fireworks, we will be holding a city-wide Taste of Crestwood.**

This event will be unique in that, while most "Taste of" events happen at one central location, the Taste of Crestwood will be spread throughout the City – at individual businesses, churches, and other locations.

We realize that staffing is still strained and there are other issues and concerns for our great local restaurants. So, in support, we want to make this a day to direct people to YOUR location, to enjoy YOUR food and drink, and to watch the fireworks with YOU!

We encourage your establishment to introduce a "75th Anniversary Special" during the Taste. For example, 75 cent soda or maybe a roll back of an item to what it cost in 1947.

We also encourage your location to engage a local musician that matches your ambiance in order to showcase the great talent we have in and around Crestwood. If you do not know of a suitable musician for the style you want, contact us and we will find some choices for you.

You do not need to be a restaurant to participate. If you are a church, local organization, or any other business, you can be part of this event by hosting a fundraising barbecue or engaging food trucks with activities, etc.

All participants will be promoted together by the 75th Anniversary Committee in various Taste of Crestwood advertisements via social and print media.

**If you are interested in participating in the Taste of Crestwood,  
or if you know of a local band or artist who would want  
to be part of the experience, e-mail your contact information to  
[info@crestwood75.org](mailto:info@crestwood75.org)  
or contact Alderman John Sebben at 314-441-1235.**
